

U.S. FLAGSHIP STORE AND SHOWROOM GRAND OPENING

February 22, 2018 – TEAM 7, the premier Austrian luxury furniture manufacturer, is celebrating the Grand Opening of their first U.S. flagship store and showroom, in Manhattan, on Thursday, February 22, 2018. This event will be celebrated with a special performance by the Horn Ensemble of the Vienna Philharmonic Orchestra. The catered event, by invitation only, will start at 6:00 p.m. with a brief introduction by Dr. Georg Emprechtinger, TEAM 7 owner and CEO, followed by Mayan Metzler, Founder and CEO of German Kitchen Center and General Manager TEAM 7 Flagship Store and Showroom New York City.

TEAM 7 is the premier manufacturer in Austria of highest-end and luxury furniture and kitchens that are truly environmentally friendly and sustainable solid wood furniture for the dining room, living room, bedroom, and kitchens. The entire product line is made from 100% solid wood, no chipboard, no particle board, no MDF, no formaldehyde or any other harmful or toxic chemicals are used in the manufacturing of the products, making every TEAM 7 product truly 100% natural.

The United States are Austria's second largest trading partner and we are excited to invite Architects, Designers, leaders of the business communities and the interested public to see and experience these exceptionally well-built and beautifully designed pieces, and to see why TEAM 7 products are truly unique to the U.S. Market.

About TEAM 7:

TEAM 7 is well-known for their solid wood products, owning their own forests, and for their superior quality. Steinway & Sons rely on TEAM 7's wood and craftsmanship for their world famous grand pianos. Furthermore, TEAM 7 products have won over 40 internationally acclaimed awards, including Red Dot Design Award, German Design Award, iF Award, and both their production facilities and products meet and exceed the most demanding German and Austrian certification procedures and quality control standards. The Flagship Store/Showroom is located at 2003 Broadway (between 68th and 69th Street), New York, NY 10024.

About German Kitchen Center:

German Kitchen Center is the fastest growing kitchen center and kitchen cabinetry retailer in the U.S. It operates 18 showrooms across the country with locations in Atlanta, Denver, Dallas, Chicago, Miami, Seattle, Washington D.C., and New York City.
